‡ Reciprocity granted for license only. Does not apply to length and weight issues.

‡‡ State laws do not currently prohibit use of hand-held cell phones while driving with the exception of New York; however, local ordinances may prohibit their use.

* Federal Bridge Formula: $W=500((LN/N-1)+12N+36)$ W=GVW LN=length N=number of axles

† A recreational vehicle or any combination of recreational vehicle and a trailer, if the trailer has no more than two axles and is not equipped with air brakes. Air Brakes require an Air Brake endorsement. In addition, special endorsement may be necessary if towing a vehicle in excess of the maximum permitted weight.
